Hole Sponsorship Registration

We are looking forward to another great Milltown Open Golf Tournament. Part of the event's success has been our Hole Sponsorship program. A sign, approximately 12"x18", will be designed with your logo and then placed on the golf course, near the greens, for all to see during the tournament. We have 92 golfers from across the area and around the state participating in the tournament, so this is a great opportunity to advertise your business. For only \$125.00, you can promote your business and get your message out to a great group of people.
